As the air begins to cool and leaves begin to change, the beauty of Fall descends upon us. Ahhh, Welcome Fall! We've been waiting for you! In this new fabric group, I have illustrated some of my favorite Autumn gatherings. Walking through the fields and woods here in the Midwest, one can find all of the beauty and colors that are so cherished in this season. Acorns, leaves, berries and pumpkins create a canvas of lovely color! Warm golds, rich reds, toasty browns and rusty oranges make up the palette of this group. Whatever your project may be, seasonal or one that can be enjoyed throughout the year, "Welcome Fall!" will supply the color and favorite gatherings of Fall.
